

COVID-19

Important COVID-19 Sorry Business information

Keep our communities, especially Elders, safe from COVID-19. Everyone attending a funeral and wake needs to follow strict health orders.

Do not attend if you feel unwell, even if you have been vaccinated. Go and get tested for COVID-19 nearby and self-isolate to keep others safe.

Things to consider when attending Sorry Business:

- If everyone attending a funeral is fully vaccinated for COVID-19, there is no restriction on numbers. If someone isn't fully vaccinated for COVID-19, they can only attend funerals with a maximum of 10 people.
- Check in using the NSW Government QR code or let event organisers know your name and contact details. This is so they can reach you with important information if others with COVID-19 have attended the gathering
- Wear a face mask when you are indoors and when around others outdoors
- Keep a safe physical distance from others
- Get tested for COVID-19 nearby if you have even mild symptoms. Self-isolate until you get your test results
- Encourage anyone to go and get tested if you notice they have COVID-19 symptoms
- Wash your hands well and often, and keep some hand sanitiser with you
- Don't share things like knives and forks, plates, cups, and cigarettes. This can put you at risk of catching COVID-19 or passing it on to others.

The impacts of COVID-19 can be distressing for our community.

If you are worried about how you or someone close to you is dealing with stress during this time, call **1800 512 348** to speak with a counsellor (24-hour helpline).
